

**April 7th, 2017**

Dear Sir/Madam

Based on feedback received from our law-firm partners; we have decided to postpone the immigration seminar until there is more definition with respect to certain anticipated immigration developments from Trump Administration. Postponing the seminar will likely make it more timely and informed. We are monitoring developments closely, and will publish a new date in due course.

Sorry of inconvenience and thanks for your understanding in advance.

Best,

Ani Agnihotri
